Dear Mrs. Smith,

I am really thankful for having the experience of my senior I. Q. class with you. I felt at the time, and now, even more, that I not only learned more about objectivity, propaganda, and grammar (and "all"), but I learned more about living - the most important aspect of life! The main thing I learned was that I've just begun to learn. This learning is the consumption of new and original ideas in the ancient areas with which we deal every day. In other words, you have spurred me further to create!

What fun it always was and will be, to come up at just any time to see you (even when you're busy, you have that receptive quality) and maybe I'd better tell you now - your father says to say hello to his "little honey bunch" - (from someone you know, he says.)

Well, this seems to be my old trouble - overdoing so I'll close up shop!

Wave from with any future commencement committee (you hope not!)

With my deep sincerity,

A student friend

Seattle, Washington Dear Mrs. Smith,
It's been fun having you for my language arts teacher this year.

I know I have learned a great deal from you that I will be very appreciative for in my future years at Roosevelt. I only wish I wouldn't have been tardy so often, but I think you broke me of that. Hope to see you next year

Good luck.
I hope I have you in my senior year.
I have learned a lot this semester. / Don Sjostrom

 John Reed

Dear Mrs. Smith,

This is just the chance I've been waiting for. I have so much I want to say, but I'm not sure how to go about it. I don't think I'll ever forget you or your class. I can sincerely say that you are the most wonderful teacher I have ever met. You seem to have a real interest in your students which is more than I can say about some teachers.

Always before, English has been a subject I've taken only because I had to. This past semester I've come to look forward to it as my favorite subject. The art of writing has come to be fun and not drudgery. I have gained more in one semester than in all the other years I've taken L.A. put together.

All I can say, to sum this up, is "thank you." I hope I have the privilege of being in your class again as a senior.

Cooperation between students and faculty is vital to harmonious and effective school government. Mr. Reed Fulton, principal, is holding an informal conference with the ASR officers as one of the means of achieving this cooperation.

Elaine Day, Bob Pennell, Brian Jensen, Mr. Fulton, Jorgen Bader, and Adele Elmstrom.

Mr. Ed Hasselblad, vice-principal, asks students for opinions on school affairs. Don Bender, Tom Wolthausen, Mr. Hasselblad, Thalia Brady, and Jody Deering.

Social Subjects Enrich Life

Approximately seventy-three of every one hundred graduating Roosevelt seniors will go on to college. The task of preparing these students is the responsibility of the humanities section of the faculty. The Social Studies, Language Arts, and Foreign Language Departments strive to endow the student with a knowledge of his heritage, his language, and of at least one foreign language.

Upon entering Roosevelt as Sophomores, students are advised to take such courses as World History and English, and to begin the study of a foreign language. In the Junior year, pupils continue their education with such courses as United States History and English Composition, and are urged to continue the study of a foreign language, or to learn another. As Seniors, students complete their secondary education with such subjects as Contemporary Problems, Psychology, or Senior Reading.

Sciences are Beneficial

Scientific values are equally important in the school's curriculum. Roosevelt offers students a foundation for advanced study in mathematics and sciences.

To graduate with a diploma, a student must complete two semesters of Algebra and Geometry. For those who want higher mathematics there are courses in advanced Algebra and Geometry, Trigonometry, and Math. Analysis.

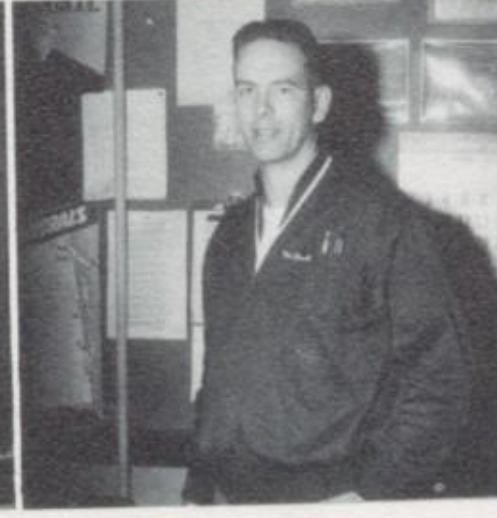

Roosevelt also offers an extensive science program, with courses ranging from Botany to Physics.

Textbook studies are not the only type of science offered; there is an intensive program carried on in the gym for the conditioning of one's body. Future engineers, scientists, and citizens are being developed in these departments.

Trade Courses Teach Skills

To meet the needs of the students who plan to go directly into business or industry upon completing high school, Roosevelt offers a comprehensive vocational training program.

If a student takes varied courses in the commercial department, by the time of graduation, he will have a foundation in business matters. Courses of particular interest to students are: Typing, Stenography, and Bookkeeping.

Roosevelt also has an industrial arts program for boys who are interested in becoming skilled industrial workers. These students can find in this department instruction in practically any basic skill that they will need to know. They will be familiar with woodworking tools and will be able to construct metallic objects. This department, besides offering these advantages, teaches the pupils democratic living habits.

Aides Render Service

Cleanliness and orderliness throughout the building and grounds are often noted by visitors. Credit for this should be given to the staff of custodians headed by Mr. Lester Huston.

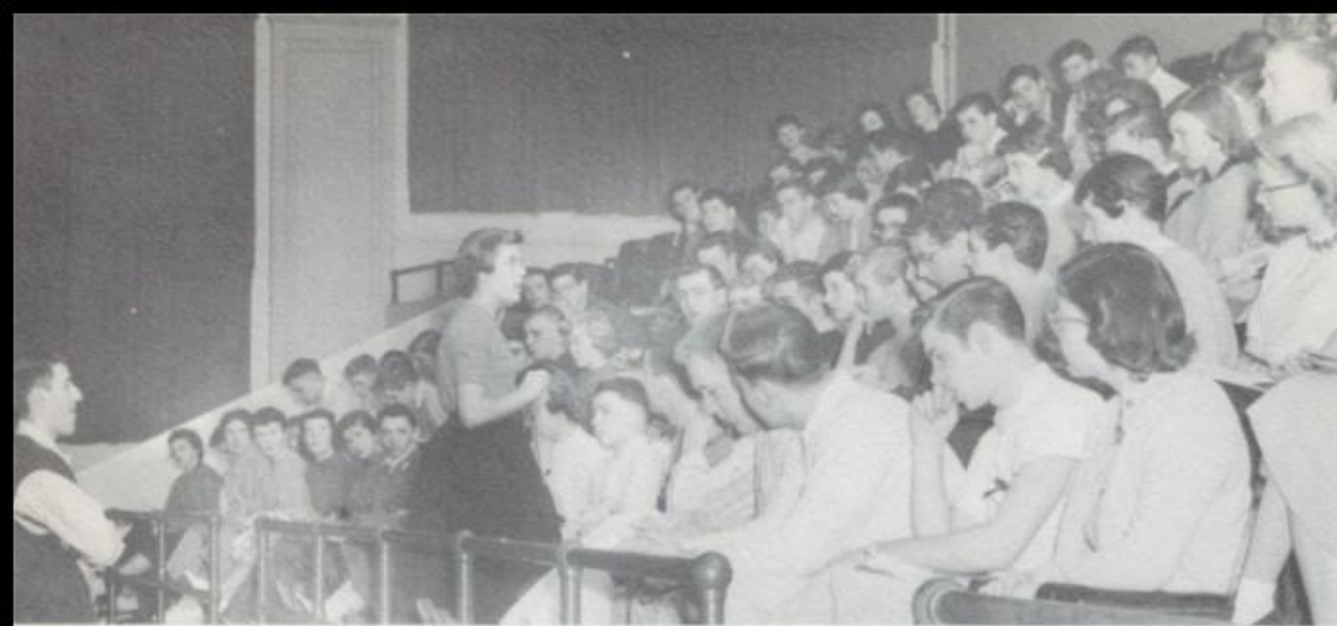

Responsible for keeping Roosevelt's files straight and its paper work at a minimum is a small, but efficient, group of office clerks headed by Mrs. Margaret Dainard.

Roosevelt has some 2500 mouths to feed; this enormous task is the duty of a small group of cooks. Nevertheless, they daily cook and prepare enough food for all. Mrs. Helen Scott is in charge of the kitchen.

These groups are a vital and friendly part of Roosevelt's own world.

Compare the attainments of Seattle's Boeing Airplane Company in the making of the Boeing 707 jet to the achievements of Seattle's Roosevelt High School in the making of the Atomic ASR. Many men have collaborated to make the jet. Similarly, many have blended their ideas, inspirations, and imaginations to make this an atomic year at Roosevelt.

Above, the ASR officers are silhouetted against the background of one of Seattle's government buildings in much the same spirit as they would be at Roosevelt assemblages.

The Associated Students of Roosevelt compose the crew producing the Atomic ASR. Subdivision of the organization begins in the fall with sign-ups for committees such as the newly created Traffic Safety committee.

Roll room drives and contests execute the aims of many activities. This year, roll rooms participated in drives for the March of Dimes, needy families, banking, and the donation of Christmas cards. Other events sponsored by roll rooms were inter-roll games, Guest Guesser contests, and the improvement of the presentation of the Pledge of Allegiance.

Traditional activities were in evidence throughout the school term. Some of these were: the Pass Sales Contest, which Roosevelt lost to Lincoln; Color Week, with Teds arrayed in green and gold; Back-to-School Night for parents; assemblies, including programs with the Roosevelt choir and orchestra, the Seattle Symphony, drama groups, and prominent speakers, such as Governor Arthur B. Langlie; Traffic Week, organ concerts, featuring a week of cultural entertainment; and Campus Day.

Any innovation starts its own traditions. So it was with the students in alleviating unpleasant conditions concerning the grounds, fountains, and "Soc Hill." Also new were the Glory Bulletin, issued to publicize roll activities, and abandonment of one-way halls.

The ASR officers, Cabinet, and Advisory Council comprise the authority which gave help and coordinated the school in all its undertakings, just as the Seattle city council does in its government.

Inaugurals of Girls' Club, Boys' Club, and ASR officers followed campaigns and elections in the spring.

As one of Seattle's largest industries continues to produce a better product, one of Seattle's secondary educational institutions strives to improve its graduates.

Foreign Language Clubs Active

A brilliant tapestry of nationalities colors Seattle's heritage. To foster this feeling of international spirit, Seattle schools offer a variety of foreign languages, ranging from modern Italian and French to ancient Latin.

The foreign language department of Roosevelt is well staffed. Miss Florence Russell, Mr. Igor Gladstone, and Mr. Richard Junco teach the Romance languages, French and Spanish, while Miss Alma Hawkins and Miss Leoni Ingle instruct German and Latin. Mrs. Edith Norman, the department head, teaches both Spanish and Latin. These teachers, plus enthusiastic pupils, make the foreign language department one of the most active in school.

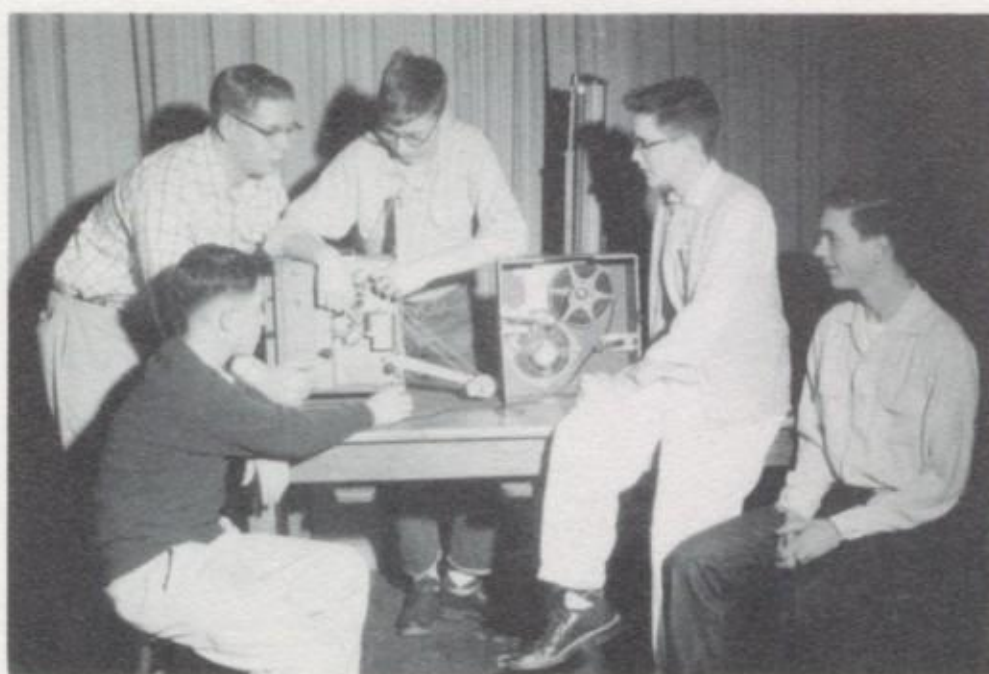

Helping to promote an active understanding of foreign relations are the many social gatherings in which the foreign language students take part. These meetings include the International Banquet, "Sidewalk Cafe," held this year on March thirteenth, the Christmas parties held by all the foreign language groups, and the various meetings which feature movies, foreign student speakers, singing, and dancing.

New this year to the clubs at Roosevelt is the Folkdancing Club. Advised by Miss Hawkins, this club offers an excellent opportunity to those who wish to learn Old and New World folkdancing.

Variety of Clubs Offer Enjoyment for All

In Seattle there is a strong feeling of wanting to be together planted firmly in the minds of many people. This feeling is very typical of Roosevelt when its many clubs and organizations meet.

These clubs, in which many students take active part, are designed not only for enjoyment of their members, but for the purpose of learning, understanding people, places, and ideas, and for extended teaching.

For the person who wishes to belong to a club mainly for the purpose of enjoyment, the Chess Club, advised by Mr. Ralph Rehbock, is ideal. The Chess Club members won the All-City championship.

Debate Team, advised by Mr. Byron Baggaley, and Radio Club, advised by Mr. Elmo Little, are two clubs which give their members excellent experience in understanding people, their problems, and their ideas.

Among the clubs at Roosevelt which offer valuable experience to their members are: Art Club, advised by Miss Lois Fulton; Science Club, directed by Mr. Ora Krienke; Movie Club, advised by Mr. Robert Bell, and Camera Club, advised by Mr. Cameron Cooper. These clubs do much for the school in the fields of boosting morale, teaching sportsmanship, and making friends.

“Service”—Girls’ Motto

Summer over, Seattle once more turns her attention to citizens of the future — her young people, her students; at Roosevelt, the Girls’ Club is already at work, welcoming new girls and planning the agenda for the coming year.

When Mrs. Alice Miller assumed her new position as adviser and began work with officers Jody Deering, Barb Elrod, Teresa Stanfield, Sue Frye, and Sherry Jenkins, the year officially started. New girls were welcomed at the big-little sister party, “Little Red Schoolhouse.”

Opportunity for every girl to serve the school and community, assume responsibility, and learn effective leadership was made available to all at the committee sign-ups.

Now activities really began: the little conference “To be alive in such an age”; the Father-Daughter dinner-dance, “Daddy O”; the Mother-Daughter Holly Berry Tea; the charity ball, sponsored to bring toys to needy children, and the Charm Club fashion show were all a distinctive part of tradition at Roosevelt—all a part of a co-operative effort of girls working toward a common goal. This is the spirit of which Seattle is proud!

Boys Meet "Challenge"

Behind every organization in the school was the challenge of an Atomic Year in 1955-1956. The Boys' Club actively met that challenge.

The Father-Son Banquet, held in the fall, attracted many dads and sons. The Boys' Club, along with the Girls' Club, sponsored a Christmas Charity Ball. Over one hundred dollars was raised at that event. With the Boys' Club committees functioning under their respective heads, the boys accomplished much to improve the community and school.

Besides working in the school, the boys of Roosevelt took part in local DeMolay groups and in the YMCA. The Club's traditional activities include a spring Intramural Track Meet, Sophomore Interviews, and a Hot Rod Show.

Some of the committees are: the Anti-Smoking Committee, Traffic Safety, "Big Stick," Grounds Improvement, and Big Brother committee. As Campus Day neared, the Boys' Club, Girls' Club, and ASR co-operated to make it a success. The willingness of these three groups to work together established a memorable year.

Golden Spurs

Golden Spurs is an organization consisting of forty-six Senior girls, selected in the spring of their Junior year on the basis of scholarship, service to the school, and recommendations of the faculty.

Spur membership fosters continued service to school and city. The first project was to aid in orientation. Before the close of the year, Golden Spurs had supported all Girls' Club and ASR activities, served at the Father-Son Banquet and P.T.A. meetings, and held assembly doors.

Concluding the year was the Mother-Daughter Tea given in honor of the incoming Golden Spurs who will continue to uphold Spur traditions for next year.

Roughriders

Forty Senior boys, elected to membership by their predecessors, constitute the Roughriders, which is an honorary organization created to serve both Seattle and Roosevelt.

In September, the Roughriders combined with the Golden Spurs to help orient new students and sophomores.

Later in the year, their projects included: aiding ushers at football games; acting as a hall patrol between classes; and supporting a needy family at Christmas.

Continuing the legendary rivalry with Spurs, the Roughriders challenged them to a volleyball game and other contests.

One of their last activities was to participate in the annual Campus Day baseball game, featuring the Roughriders versus the faculty.

Roughrider officers hold assembly doors as part of their duties: Tom Wolthausen, president; Rocky Bauer, secretary-treasurer.

Dear Mrs. Smith,
 (W TRUE) You must know how much you've meant in my high school recollections. First of all you're the second teacher I had in the whole of High School, Miss Clark another reknown liberal and true evaluator, being the first. Perhaps no teacher has given me poorer grades while teaching me so much. You know what weird innovation to humanity I am, so please forgive my being myself. "The Barretts of Wimpole Street"

To the bright lights of the marquee displayed in many metropolitan productions, the Roosevelt senior play, "Barretts of Wimpole Street," added its own stars.

Elizabeth Barrett, in trying to realize a life of her own with the famed poet, Robert Browning, faces a desperate struggle depicted in this true story.

Elizabeth's aspirations are almost thwarted by her domineering father who tries to rule her and the family. Looming as a shadow over their actions, he tries to tie them to himself. The cast includes:

Thespians in-the-Round

Now in their third year, Penthouse Plays are a proving ground for young actors and actresses. Under the direction of Mr. Ivard Strauss, the players dramatize portions of well-known plays. There are no elaborate settings, nor are there opening night audiences to entertain; nevertheless each production is given the same consideration as a New York performance.

"New York, New York"

With the spirit of spring in the air, Roosevelt greeted parents and students alike for the 1956 "Rhythm and Riot" Revue.

New York, New York, the theme employed by Monitor, took the audience on a comical tour of this bustling city. Carried along in the spirit of the Revue, the audience rambled through a T.V. studio infested with soap opera hams and camouflaged talent agents, then was off again in the mad whirl of the Wall Street Stock Exchange.

The "Daily Nightly" city room, haunted by comic strip characters, brought amusement to all. After a wild "tour de force" in Greenwich Village amid sundial sharpeners, and sewer inhabitants, the audience reached a gay finale.

Directing this seemingly confused situation were Brian Thompson, general chairman; Roberta Loria, junior chairman; and Mr. Strauss, as he peeked from his backstage home.

Friday night has come and gone, the porch lamps lit and extinguished and the curtain has come down for the last time on this Roosevelt production, one to remember.

Torch Marks Achievement

To prepare Roosevelt students for worthwhile lives as adult citizens in Seattle, Torch, Roosevelt's Honor Society, encourages high attainment in scholarship, character-development, leadership, and service.

Clear thinking and conscientious working result in a greater number of grade points and service points, which enable students to become members of Torch.

Pins are awarded to all members of the society, and permanent ones are possessed by seniors who have earned 112 points.

“Roosevelt News” Excels

While reporters from Seattle newspapers search the city for events of the day, “Roosevelt News” staffers pound their beats for stories of school life and activities. Ad staff members are on the job soliciting advertising from city merchants. Deadlines creep up on the busy journalists. Their adviser, Mr. William Hall, is always ready to assist them.

The day arrives, and the paper goes to press. Soon it is circulated to be eagerly read by all.

Recording the "Life"

Nothing during the school year at Roosevelt creates as much excitement as the delivery day for "Strenuous Life." To the pupil, the Annual is a book in which he can view his school, his friends, his teachers, and himself, while to the Annual Staff member, the book means a fulfillment of the intense planning since the day in the spring when the previous year's book "went to bed."

The thirty-third year of "Strenuous Life" brings many changes. This year the book is larger in size than ever before—an eight and one-half by eleven inch book. Ballard, West Seattle, and Lincoln have sizes comparable to this. The alphabetized index, the printed backbone, and the padded cover have almost become accepted styles.

Tradition is closely connected with the Year Book and its members. The theme, the most highly honored of these traditions, is held secret all through the year and is known only by staff members. The deep mysteries of the Hideout and the constant foreboding threat of the Demerit Chart add suspense to Annual Staff life while the reunion party for alumni marks one of the high points of the year.

Although the football season was not filled with wins, the year was quite successful because of the outstanding showing by the players.

Led by quarterbacks Bill Winter and Don Matheson, the Teds broke the All-City Pass Completions record set by the 1954 Garfield Bulldogs.

Another outstanding point of the year was the selection of Ken John, end, to the All-City first team. The speedy end was a sparkplug of the year's varsity, and also received the Terry Doyle Memorial Inspirational Award.

Other graduating seniors are: Sandy Church, end; Russ Orrell, Kurt Gegner, Rick Beckett, tackles; Ed Hicks, Les Eastman, guards; Gust Doces, center; Bill Winter, Don Matheson, quarterbacks; LeRoy Stenmoe, Pete Miller, Jerry Baehm, Griff Hopkins, Terry Humes, halfbacks; and Jim Harden, fullback.

Big Green

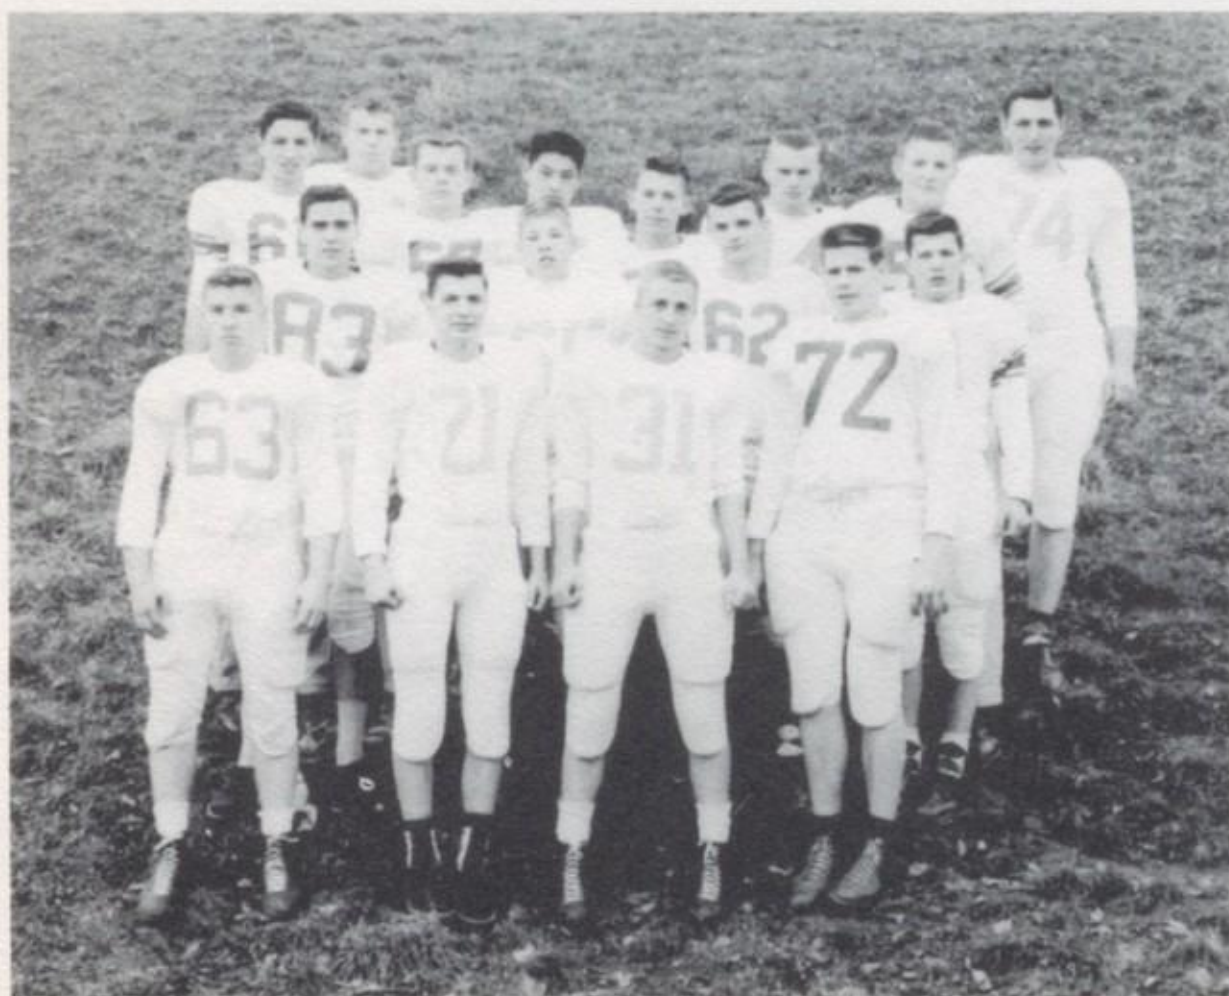

Under the coaching of Bob Lindh, the Teds won four, lost one, and tied one, placing the Sophomore Team — Roosevelt's Third Team — in second place in the final standings. The Third Team games, like those of the Second Team, are played at 3:00 p.m., Mondays at the local fields. Roosevelt's home field is at Green Lake. The Third Team usually has to play on a sloppy field.

Three of the Sophomores, Mike Kuklenski, Ken Dupar, and Chuck Dailey, proved to be very able at playing varsity ball. Mike Kuklenski earned his varsity letter. Ken Dupar and Chuck Dailey earned Second Team letters.

Talent in the Bud

Winning three and losing three placed the Second Team in fourth spot of its league. Although it receives little publicity, the Second Team, under the coaching of Don Harney, still is very important to Roosevelt and to the participants. By offering experience and developing hidden talents, the Second Team fulfills a vital need.

Chiefly Juniors comprise the Second Team with a few Seniors and Sophomores included. From the Second and Third Teams come the majority of players that make up the following year's squad.

Teds shone in the Jamboree leading the East to a close win over the West. The East, comprised of Cleveland, Garfield, Franklin, and Roosevelt, eked out a 78 to 76 win over the West — Lincoln, Ballard, Queen Anne, and West Seattle.

During the season, the Teds could not come through in the style they displayed in the Jamboree. Dropping the first four games and winning the next three set the pattern of the season.

Captain Tom Wolthausen, senior guard, appeared to spearhead the team at times, and tall, lanky Sophomore center Charlie Sells displayed good potential for the coming seasons.

Roosevelt's two scrappy guards, Tom Wolthausen and Pete Teutsch, received honorable mention on both papers' All-City teams.

Second Team Wins Ten

After getting off to a slow start by losing three of their first four games by a narrow margin, Roosevelt's Second Team came through with a fine season of ten wins out of fourteen games. This ten-four record gave the Teds second place in the City League, surpassed only by Lincoln.

Games are held after school Mondays and Thursdays in the gymnasium of the school which had the visiting team in the Varsity encounter.

Since the Second Team players are next year's Varsity potential, they are coached by John Fuller, Varsity coach; he is assisted in this job by Bob Lindh, Third Team coach.

Second Team:

Jessen, manager; Hermanson, Metz, Siggs, Savin, Mills, Moore, Granston, Weber, Miller, manager.

Third Team:

Back row—Wills, Winslow, Lannoye, Kohler, Cordry. Middle row—Hipke, manager; Morrison, Ericson, Ansley, Roulet, Hanson, Brandon, Balcom, Adamski, Bob Lindh, coach. Front row—Dickinson, Franks, Jennings, Kingsbury, Kuklenski, LaFontaine, Jewett, Wells, manager.

Third Team Second

Coached by Bob Lindh, Roosevelt's Third Team made a good showing this year by winning nine games and losing five. Playing the same league schedule as the Second Team, the Third Team ended in a tie with Lincoln for second place in the final standings.

Having shown themselves ready for experience in some faster competition, several of the players saw action in one or more of the Varsity contests.

Drill Team and Flag Twirlers:

Back row—Janet Frisby, Lanora Harris, Diane McDonald, Caron Boyce, Mary Edson, Elizabeth Warrick, Ronnie Crain, Lynda Clearwater. **Fifth row**—Arlene Rankin, Darlene Stafford, Sandra Kann, Nilah Gunnette, Pat Myers, Sandra Knocke, Diane Clark, Janice Tutthill. **Fourth row**—Betty Gillespie, Joan Heron, Sharon Marshall, Kathy Parks, Jenny Pihl. **Third row**—Grace Harris, Jacquelyn Schille, Janet Powers, Dale Cummings, Sylvia Stewart, Coleen Porter, Bethyl Blackmore, Madeline McKown. **Second row**—Diane Norton, Joanne Johnson, Marlene Synstad, Shirley Blackmore, Helen Rovig, Marjory Wickman, Sharon Payne, Anne Gregory. **Front row**—Ruth Willard, Barbara Lamroe. **Not pictured**—Priscilla Lancaster and Mary Jean McCabe.

Yell Leaders:

Leslie Gallagher, Frank Sjursen, yell king, and Don Schonewald. **Not pictured**—Sandy Barnes, Wendy Beezhold, and Jerry Taylor, alternates.

Sports Boosters:

Back row—Dawn Ward Smith, Carolyn Wheeler, Art Loh, Bob Armstrong, Ken Katz, Dick Casey, Dean Kayler, Susan Trimble, Ronnie Stewart, Pam Frieze, Jerry Minear, Sally Dillon, Tony Ward-Smith, Mitzi Hagist, Mr. Bob Bell, adviser. **Middle row**—Joan Frasier, Art Thomas, Walt Frasier, Leslie Gallagher, Tom Jones, Henry Houghton, Steve Shea, Barbie Elrod, Susan Anderson. **Front row**—Janet Lagerquist, Carolyn Snow, Jean Fawcett, Carol Downs, Marcia Travis, Joan Koppel, Cherry Stone, Donna Maule, Phyllis Robins, Sharon Fish.

“Her Spirit Never Dies”

Working together, the Sports Boosters, Song Leaders, and Yell Leaders promote school spirit for all Roosevelt athletic events.

Sports Boosters, an ASR committee, under the leadership of co-chairmen Mitzi Hagist and Tony Ward-Smith, plan and present Pep Assemblies, advancing spirit and encouraging students to support their school teams.

Song Leaders and Yell Leaders, in attendance at every game, organize the spirit, already aroused by the Sports Boosters.

The Drill Team and Flag Twirlers provide the half-time entertainment at the football games when Roosevelt is the home team.

Song Leaders:

Teds Love Slopes

All Roosevelt students should be proud of the ski team's excellent showing this year. In the All-City High School Ski Tournament, the girls captured second place in the combined, while the boys were first in the downhill and slalom. At a five-day meet at Rossland, Canada, the girls placed third.

The team was led by Lorraine Hitt, who won the All-City combined and the Rossland combined. Another outstanding team member was sophomore Russ Amick, who won the All-City Alpine combined. The ski team was coached by Don Amick, a former Olympic skier, and was managed by Danny Goff and Lorraine Hitt, Ski Club president.

Glory reigned for the Roosevelt seniors during the ski season this year. Ragnar Ulland won a coveted spot on the United States Olympic Ski Jumping Team. At the "Seattle Times" Ski School, Wally Newburn and Lorraine Hitt were elected king and queen, while Ken Takeuchi and Louise Button were the Inspirational Award winners of the "Post-Intelligencer" Ski School.

Swim Team Members:

Left to right—Hanley, Robinson, McDaniels, Easterly, captain; Zubick, Harrell, Little, McCumber.

Swimmers Win Again

Three records were established by the Roosevelt High School Swim Team this year. The Teds won the All-City High School meet for the fourth consecutive year. A new record was set in the Class B 150-yard medley relay. The members of this relay were Beth Harrell, Judy Robinson, and Alice Cleaver. Roosevelt broke its own record of 77 points by acquiring a total score of 83 points. Tailing Roosevelt High School were: Franklin, second, with 41 points; Lincoln, 20; West Seattle, 19; Garfield, 6; Ballard and Cleveland failed to score.

Under the leadership of team captain, Sandra Easterly, and coach, Tom Evans, everyone on the Roosevelt team who entered a race received a ribbon. There were many last minute preparations and unanticipated worries. Large signs were made to illustrate that Roosevelt is tops in spirit and sportsmanship.

As a climax to a successful season, a banquet was held at East Green Lake where team awards were received.

The Racqueteers

With seven returning lettermen from last year's second place Tennis Team, the outlook for this year's season was quite bright. For the past seventeen years the Teds have never placed lower than third or lost a match to Lincoln or Cleveland, and have had only one loss to Franklin and Ballard.

The two three-year veterans are Kim Proctor and John Higbie. The tennis team is ably coached by Mel Dranga, winner of more than 200 trophies, and three national championships.

May 1—As "Strenuous Life" goes to press, the Tennis Team has won all three of its matches against Lincoln, Cleveland, and Queen Anne.

The Divoteers

Although only a few of the statistics about this year's Golf Team were known at the time "Strenuous Life" went to press in April, the sports department predicts that the team has a very good chance of winning the championship this year. The Teddies finished second last year.

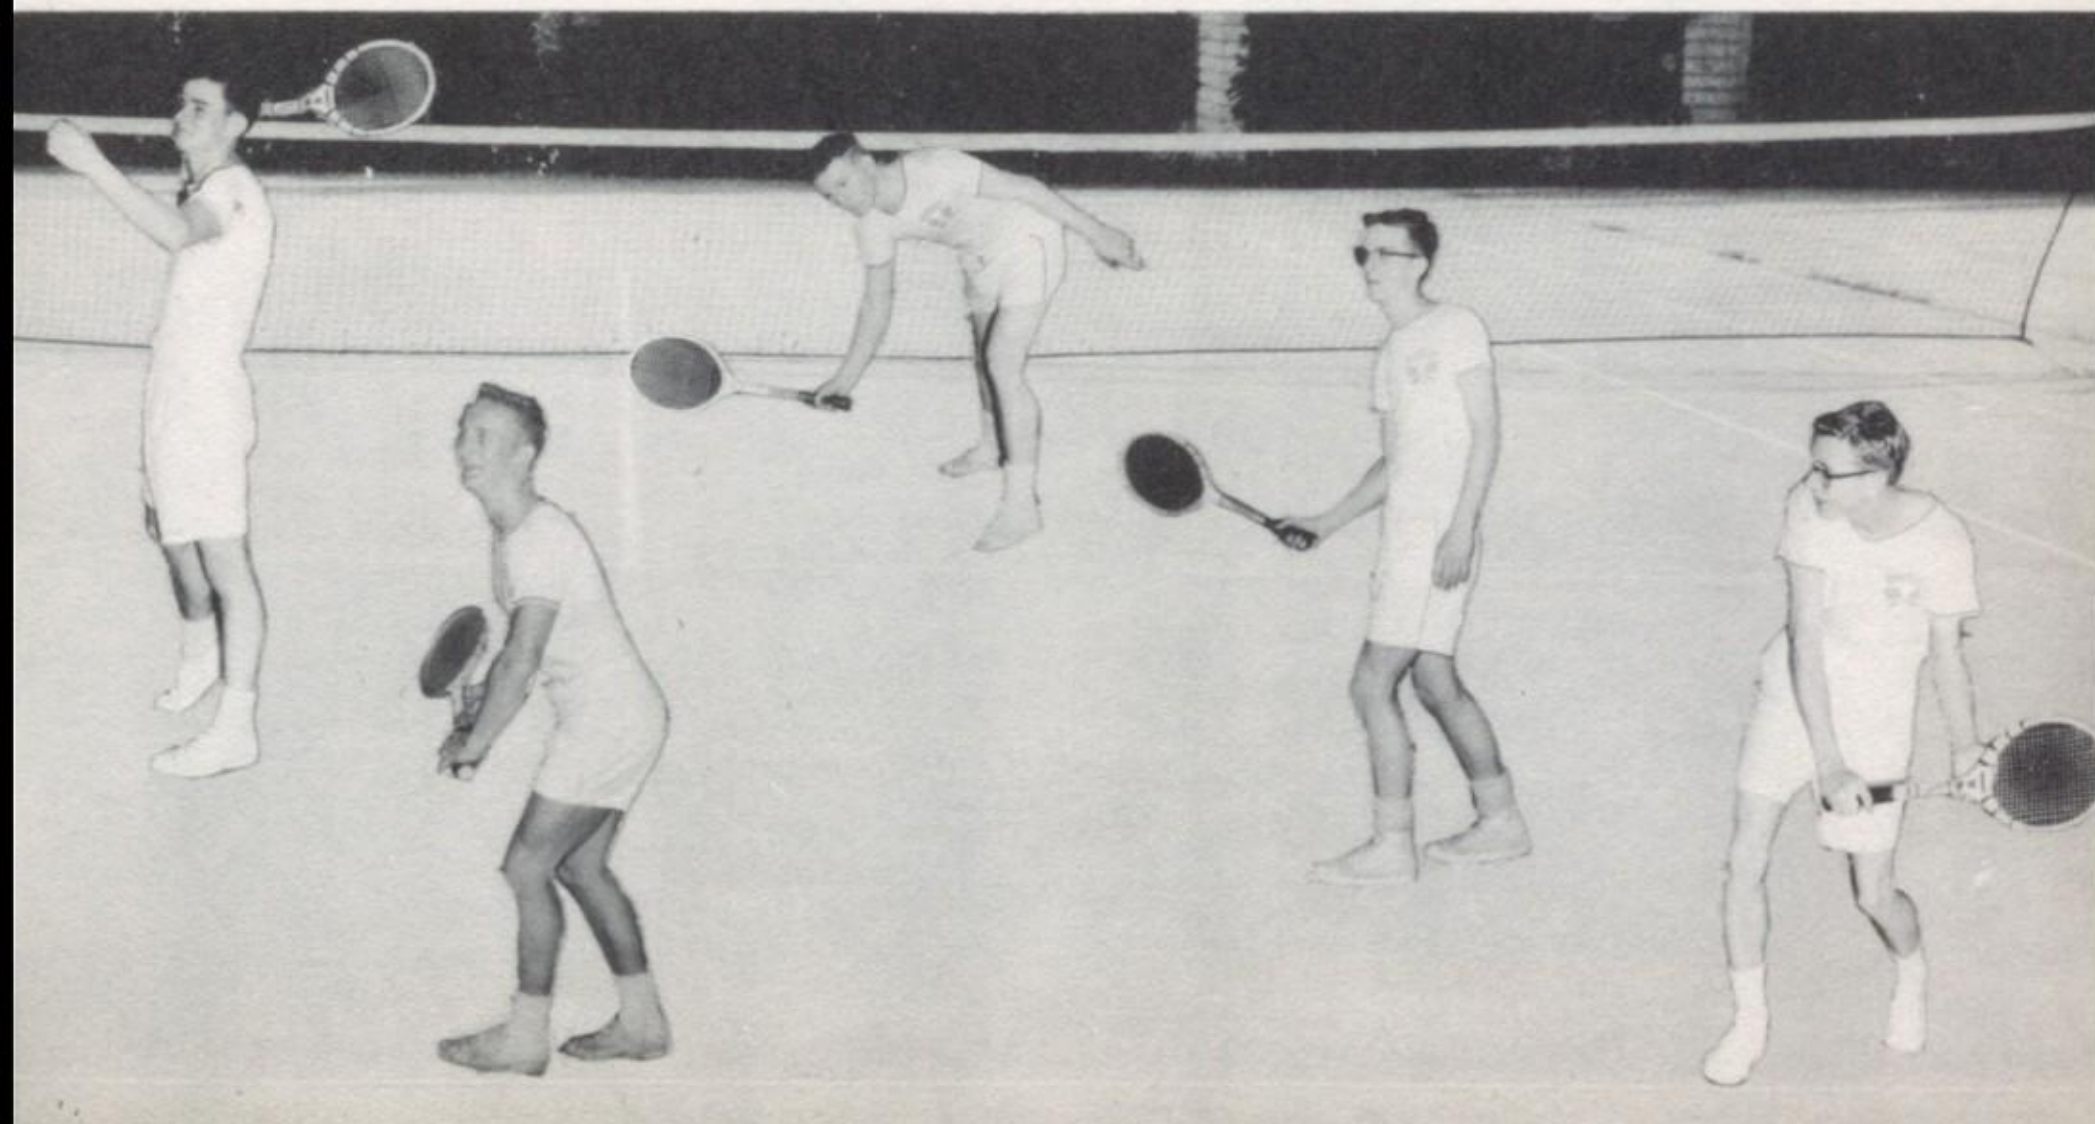

On the 1955 team, Tom Wolthausen and Jim Shapiro made the All-City Golf Team. Shapiro also won the Low-Medal, All-City trophy. Dick Smelser won the Ernest Worth Trophy, an inspirational award.

May 1—As the presses begin to roll, the Golf Team has won its first match and has the highest score in the field; 208 to the nearest opponent, Lincoln, with 188.

Tennis Team:

Left to right—Al Bush, Steve Hungerford, Kim Proctor, Dave Goff, Rocky Bauer, Tom Giske, John Higbie. **Standing above**—Coach Mel Dranga.

Track Contestants:

Back row—Richards, Case, Lea, Goff, Mills, Mason, Peterson, Sells, Goombah, Peters, Buettner, Van Kleeck, Millar, Baum, Blume, Radford, Anderson. **Middle row**—Otis, manager, Walkup, Hillyer, Meyer, Hunt, Tagas, Kniseley, Haffner, Fulcom, Martin, Mowat, Miller, Craig, McConnell, Silverthorn, manager. **Front row**—Zentner, Thorne, Schluter, Mesinger, LeTourneau, Lynn, Burns, Amate, Bender, Baxter, Metz, Robertson, Doll.

Trackmen training 6th period—on the track and in the jumping pit.

Among the field events are: right, pole vaulting and shot putting.

The Tracksteers

Information concerning the record of this year's Track Team was not available at the time "Strenuous Life" went to press. Last year, Roosevelt's team won two of its three dual meets and placed second in a triangular meet. It placed fourth in both the relay carnival and the All-City meet.

This year the team was again ably coached by John Fuller, who, for the first time, was assisted by Charles (Charlie's Horses) Henderson. The sports editors predict that the Teds will make a good showing in the meets and uphold the excellent record which they have had in the past.

Field Contestants:

Back row—Mathies, Taylor, Folkins, Phillips, Crum, Zentner. **Middle row**—Henderson, coach, Eastman, Gegner, Larson, Peters, McMillian, Johnson, Smith, Fuller, coach, Blume, Martin. **Front row**—Tronsdal, manager, Warner, Banks, Taylor, Cameron, Maas, Erickson, Uilmer, Dunbar, manager.

Back row—Ed Jensen, Pete LaBarge, Frank Waterworth, John Ihrig.

Middle row—Dave Toner, Jerry Baehm, Ron Sloy, Craig Morrison, Bob Hufnagle.

First row—Coach Don Harney, Ken Hoffman, Terry Humes, Jerry Peterson.

May 1—The latest scoop on the baseball season is the further improvement of Roosevelt's team. With several sophomores moving to the varsity squad, the Teds squeaked past the Lincoln Lynx in 12 tense innings, 4-3.

Teds' Hopes High

With only two lettermen returning to baseball, Varsity Coach Don Harney had a rebuilding year. Although the Teds weren't picked to finish too high, Coach Harney was ambitious for this year's squad. He said at the start of the season: "This year's squad is, in my mind, the champion, until someone beats them and proves differently."

Last year's record was four wins and eight losses. The two returning lettermen this year were Jerry Baehm, pitcher and infielder, and Ken Hoffman, outfielder and catcher.

Due to the fact that "Strenuous Life" went to press in early April it wasn't possible to have a complete record of this year's Varsity Baseball Team.

Second Team Baseball:

Back row—Lannoye, Farstad, Brandon, Takeuchi, Ansley, Griffiths, Handley, Weber. Third row—Gaddis, Kingsbury, Dickenson, Balcom, Allendoerfer, Lawseth, Tomlinson, Kiolet. Second row—Franks, Ericson, Waltz, Jennings, Stimpson, Favro, Favro. First row—Wesson, Cole, Strong. Managers: Crow, Martin, Richardson.

I think I have matured more this year than ever before and you are one of the main causes. She assignments have been good for me although at times ~~be~~ I thought they were too long. Whether you approved of my baseball or not I do not know, but that is my inspiration. Thank you for everything.

Students In Intramurals

Throughout the year, Coach Bob Bell and his student managers organized sports to give students who were not participating in interschool activities, a chance to expend their energy in the intramural program.

In the fall, football was the popular sport; this year "Charlie's Horses" copped the championship in fine style.

Next came basketball with "Charlie's Horses" and "Roys' Riot Squad" jointly holding the title.

Other intramural sports included: bowling, baseball, ping-pong, fencing, and 100-Mile Club. The Intramural program supplied competitive sports for over 1000 students.

Upper Right:

Back row—Pennell, Morrison, Winter, Erickson, Hutchins, Phillips, Burns. **Front row**—Bender, Anderson, Frasier, Lewis, Kissack.

Basketball:

100-Mile Club:

Hunt, Meyer, Fulsom, Engle, LeTourneau, Lynn, Atkinson, Mr. Bell, coach.

Dear Mrs. Smith,
 I have enjoyed being
 in your class this semester. I
 know I will remember more from
 this class than any other. Have a
 wonderful summer. Bye
 P.S. You have a Carol Jean
 wonderful smile. *Kilgore*

RHO Club is Active

A chance to learn and participate in different types of sports throughout the year is provided by RHO Club. Besides their participation in sports, they sell pom-poms for the football games and have various parties throughout the year and an annual Mother-Daughter Tea. The girls challenged the faculty to a volleyball game and were trounced in both matches.

Monday through Thursday after school is for RHO Club activities under their adviser, Miss Aurora Kipperberg. Sports offered by RHO Club are: badminton, basketball, baseball, volleyball, tennis, archery, apparatus, and swimming.

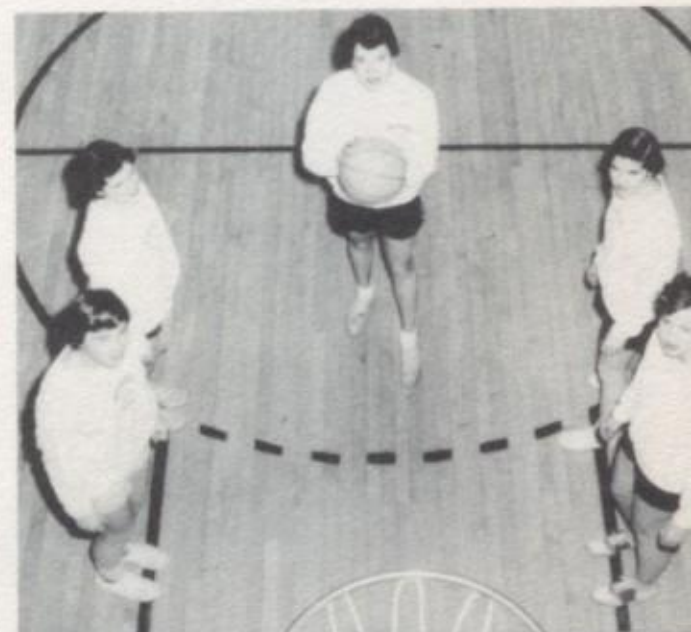

Volleyball:
Left to right—Warrick, Wilk, Harris, Lamb, Slater, Gilmore.

Dear Mrs. Smith, & Miss Helen Anderson

enjoyed being in your class even though I didn't work as hard as I should have. I hope to get another teacher just as good as wonderful next year. Sincerely,
 Yvonne Peters

I'm had a lot of fun in your class and learned alot. (you want me to sit down or I'd write more).

Nancy Albertthal

Dear Mrs. Smith, I have enjoyed being in your class very much. I have really learned alot. I liked the assignments we have had of all the doing the research papers best, especially my topic because I really made me see why I act as I do. I hope you have a very enjoyable summer, and I will see you next year.

Dear Mrs. Smith, I really have been great being in your class. The work has been interesting as well as full of knowledge for me. I have really learned alot this semester and I have enjoyed it. I don't have a junior class, but I hope to see you when I am a senior. Yours truly,

Sophomores

The Volunteer Park Art Museum enriches Seattle's culture; the Sophomore class adorns Roosevelt High School. Sophomores complemented art groups and various musical organizations.

The Spurs and Roughriders acquainted the Sophomores with the many customs of the school by directing the Sophomore conferences early in the fall.

Class officers elected were: Linda McLean, acting president; Geri Pearce, secretary; and Dick Stucky, treasurer. These officers were assisted and guided throughout the year by Miss Helen Anderson and Mr. William Hall, the class advisers. Mike Dudley was the Sophomore Class representative on the ASR Cabinet.

The Sophomores proved themselves to be vital in school life by taking a spirited part in the endless round of activities. Members of the class of '58 did their share of work in ASR activities and on Boys' and Girls' Club committees. Especially active in the Girls' Club program was Emmy Dingwall, who worked on the "Teddy Echo" and was a member of the Cabinet. The class won the pass sales contest in competition against both the Senior and Junior classes with a total of 96.91 per cent.

"Starting the New Year Off with a Bang" was the theme of the Sophomore Class party, held after school on January fifth. The lunchroom was decorated with balloons and serpentine. Chuck Dailey, master of ceremonies, introduced a program of Sophomore talent.

High scholastic records enabled 179 Sophomores to become members of the Torch Society. To qualify for the honor society, the Sophomores are required to have twenty-four points for the first semester and thirty-eight points for the second semester. The class was represented on Torch by Yvonne Perier, who was secretary-treasurer of the organization.

During the Sophomore year, book subjects are the main part of a student's curriculum. Geometry, World History, and Language Arts are subjects with which most Sophomores are most familiar by the end of their year. School activities and various studies have enabled this class to become better citizens of Roosevelt High School and the city of Seattle.

Dear Mrs. Smith,
I would have liked
being in your class
a lot better if you

my. Smith,
about all &
can say is
thanks for
everything. We
really enjoyed
being in your
class my first
year at Roosevelt
although there
are a few things
we didn't agree
on but most
things were fun.
Maybe &
will see you
sailing this
summer.
Have a wonderful
summer and hope
to see you next
year.
Love
Pat

Dear Mrs. Smith,
 in your last year's annual, I requested, rather wished, that we could become better and more intimate friends. I realize, now that my mother be-
 as point as the students' teachers' never the less, I'm glad we could get together now and a little I'm afraid of you had I'm sure do not intend to be in any of your classes I don't meet quite fair. Love, Jane Smith

Juniors

An appropriate background for the Junior Class officers this year is the Frye Art Museum, symbolical of Seattle's progressiveness. The Juniors have backed their school this year with enthusiasm and initiative.

Leading them have been Joanne Field as president; Sandy McCarty, vice-president; Candy Savage, secretary; Mary Turner, treasurer; and Jerry Wright, ASR representative. Juniors have been skillfully guided by advisers, Mrs. Ann Grodal and Miss Martha Young. Several Juniors became outstanding leaders: Teresa Stanfield was recording secretary and Susan Frye was corresponding secretary for Girls' Club; Larry Christensen represented the boys as secretary for Boys' Club; and Mary Calahan was vice-president of Torch. Juniors are also proud of the 154 Torch members.

Like Seattle, the Juniors have had their moods this year, from the rainy days of test week to the sparkling excitement of "Crystal Clear," the Junior Class party, with its theme of winter. Under the capable chairmanship of Danny Goff and Linda Shulman, it was an immense success.

Another successful Junior activity was the Junior-Senior party which the Juniors co-sponsored with the Seniors.

Commencement day found the Juniors hard at work supervising decorations and taking charge of the checkroom.

In the theatrical mood, the Juniors, Jan Bradeen, Roberta Loria, Don Laurine, Skip Storey, Don Pack, Everett Bauer, Jim Silen, and Dale Sourwine, acquired excellent experience in the Senior play, "The Barretts of Wimpole Street." Many Juniors also participated in the Revue, "New York, New York," including Roberta Loria, Junior chairman.

Through all moods, gay and sad, the Juniors can contemplate the past year with happy memories.

*The finest teacher I ever knew,
whose favorite colors are pink and blue,
has the dreadful habit of coming in late;
which prevents me from writing much here.
But anyway, I'm looking forward to next year.

Dear Mrs. Smith,
 I don't believe I've
 ever enjoyed being in a
 class as much as I have
 enjoyed ~~this~~ yours. It has
 been difficult at times, but I think
 the class certainly has helped me to
 learn things I never knew before. I
 believe I have enjoyed the journal assign-
 ment most of all this semester. Thank you
 so much Mrs. Smith.
 Yours Truly,
 Jay Fortnight

The Junior class party, "Crystal Clear," was arranged by: **Standing**—Corinne Dignon, Bob Shawver, Deanna Countner. **Sitting**—Laureen Fisco, Co-chairmen Linda Shulman and Danny Goff, Barbara Gloyd.

Mrs. Ellen McCaul Smith
 Want to thank you so very
 much for this wonderful
 year. In all the wonderful
 vocabulary, etc. — I cannot
 express how much you have
 taught me this short year.
 I thank you for what I've learned
 for what I've learned not so
 scholastically, but for
 what I make learned
 about how to get along
 in this world.
 Thank you again
 for being so wonderful
 May always,
 Betty Lynn

Dear Mrs. Smith
 Since I have been in this room
 I have enjoyed English very much,
 although I don't admit this to anyone.
 I have learned a lot in here
 and I hope I can have your
 again in my senior year

Seniors

Seattle offers various opportunities to Roosevelt's graduating Seniors. To some, the University of Washington presents new intellectual challenges; the businesses of the City will absorb many; the Port of Embarkation, the Seattle-Tacoma Airport, and the train stations will be the points of departure for others. Many new experiences lie ahead of them, but the life here at Roosevelt will long be remembered.

The officers, who led the class through its last year, were: Jack Rhodes, president; Rocky Bauer, vice-president; Pat Moser, secretary; Betty Rushing, treasurer; and Rae Baker, representative. Miss Alma Hawkins and Miss Florence Russell served as class advisers. "Kandy Kounter," the Fall Party, was the first Senior activity, held November 17 in the lunchroom. Only two couples danced . . . could this be significant of 1956?

Football games found enthusiastic Teds braving the elements to back their team. . . . "Barretts of Wimpole Street," the Senior Play, may outlive the troubles caused by the little dog, "Flush."

Christmas Vacation brought happy days. The Basketball Tournament, sleeping in, and skiing were major activities. . . . Crutches and casts became necessary pieces of equipment to support the broken limbs of skiing enthusiasts. . . . Semester exams brought hours of worry to Seniors, as did term papers; however, Torch membership remained high—ninety-five Seniors.

C-27's, C-3's, and Adviser cards were filled out for the last time. . . . The Junior-Senior Party, "Forget-Me-Not," was held at Eagleson Hall on March 3. Posies of all sorts decorated the walls, with the hope that spring would soon come. . . . The basketball season came to a close, but not before the "Teddy Mouse Club" was formed and boy Songleaders were featured.

After Spring Vacation, the realization came that "this was it." . . . Campus Day brought all three lunches and excitement of all kinds. . . . Senior Week was the finale of the year. Pine Lake was the scene of the Senior Picnic on June 12. . . . The last activity of the Senior year was the Prom on June 15. . . . Commencement brought poignant feelings, as the graduating Seniors received their diplomas.

Dear Mrs. Smith—
 You'll note I don't look quite
 so haggard as in class—the
 picture was last fall! My Sophomore
 year, based on the challenge you
 offered and I tried to accept,
 set the tone for my entire high
 school record. My Senior year
 would not have been complete
 without you again—your
 freshness, sense of humor,
 and inspiration are my
 ideals for teaching—though
 "the secret of never becoming
 frazzled" under your load
 constantly me.
 delights me.
 Thank you Mrs.
 Smith—for your
 challenge for your
 friendship.

 Thank you
 Don Thorne

I'm sorry I flunked
 your English class
 I guess I'm a dunce
 in the class mass
 Hall it been nice
 knowing you
 and I think you're
 one of the best teachers
 I've had and I want
 you to know it was
 no fault of yours
 that I flunked
 Sincerely
 Alex

Dear Mrs. Smith.
 I think you are the
 smoothest and nicest teacher
 I ever met (which was in my
 sophomore year - remember).
 I'm not even mad at all the home-
 work you dealt out - I sure learned a lot
 thanks million for putting up with
 me.
 Love,
 Sharon Lunde
 56

Dear Mrs. Smith - ..
 All I've gained in here - wow
 you've certainly been an inspiration
 to me and a lot of other seniors.
 I knew when I was a sophomore
 I had to come back as a senior
 for final conditioning - which
 I got. I feel I can approach
 college now.

To a smiling teach I
 love -

Elaine Day

Mrs. Smith!
 Lucky you, you get me next year, yet!
 I can't let the prospect make you jump with joy!
 Keep smiling, stay good, and have fun doing it.
 Best luck to you & yours,
 Janet Powers

Mrs. Smith -
 I must confess that when Hel,
 Rae, and Marlin were talking of E. Smith
 for S. G., I shied away for fear of having
 to work for one of my high school gradates.
 In these few weeks of commencing-
 ment, I've learned that teachers are
 people - and you can take the credit
 for that education.
 Keep your students and yours
 wonderful & family all happy.
 I'll remember you.

Mrs. Smith,
The tables sure have
been turned on me
here. I can truthfully
say that I did man-
age to accomplish
quite a lot from your
class, and I am glad
that I was able to
come out a little
better than I went
in. Thanks a lot.
Lots of success in
your future years.
Janette
Johnson

Dear Miss Smith,
It's sure been a
glorious experience
having you this year,
for once I feel that
I've learned something
you'll probably be
seeing me my
senior year, so
you're not rid
of me yet.
Thanks a
million for all
your smiles
and friendly
way with
me.
Good-Luck
always.

Mrs. Smith,
Aside from being
hard work, and
most helpful, it's
been enjoyable.
Maybe in a quieter
class I could've
been a better
student. But what
you've taught me
is valuable now,
and will always
be valuable. This
sophomore year
has been very
difficult; my
junior year will
be easier and
have better results.
Have a lovely

Dear Mrs. Smith —

This has been one course ~~about~~ that I have really enjoyed, ~~even though~~ I did spend many nights working when I could have been in bed. I want to thank you for all you did in helping me better myself. I remember the first words you said when I innocently walked in... "So as to utilize every spare moments" we most certainly did! Have a wonderful summer and I wish you all the luck in the world in ~~your~~ continuing your injection of knowledge into poor souls.

Thank-you
every - so - much

To C. M. Smith -

Well it really has been fun in your ~~extra~~ class these two semesters. I think I enjoyed this class the most because I got to talk more here than in any other class. I enjoyed some of your assignments but frankly not Shakespeare. I think that you have the likable personality of becoming a teacher. (To bad your so hard. If I feel up to working my — self I would sign up for you. But at this moment the heck with it. Maybe I will grow up when I get to my senior year. I think that these years at "social" Roosevelt will be some years that I will never forget so I am glad I had you.

(P.S. Good luck, Best wishes, have a nice summer, and keep on smiling.)

Mrs. C. Smith,

After all the trouble I have had in your class when I was a green sophomore learning the tricks and trade I can honestly say, you are one person I will never forget. You have been so nice to me. I think you straightened me out. I really appreciate it. I hope to see you. I'll be learning more tricks etc. etc. etc. next time.

To Mrs. E.M. Smith

Your eyes are like pools, eyes
pools, your teeth are like the
stars they come out at night
your face is like the floor,
all scuffed up. Say what
denial do you go too, to get
your hair cut?

Your swing is just like
the swing in our back yard.

If you would have laid
off the homework this class
could have been a lot more
fun than what Dick, Don
Al, and myself made also
Jim Bent.

Say you better keep your
husband working if you
intend to buy a new 57' Buick
but you should buy a good
car.

This class has been a
riot, with my ranking but
its all coming to a close now.

Remember Grant remember
Lee, to H-11 with them remem-
ber me.

I think this is one of my
best classes, because we
can get away with murder.

Well all bidding aside
I have enjoyed being in your
class maybe I might take
you in my senior year if
I make it that far.

Well have a good
summer, and don't crash
your 56' Buick, or else you'll
have to drive that Ford, and

The largest project attempted in woodshop this year was a boat shown here with her builder-owner, Russ Orrell.

▼ Outstanding sewing students modeling their clothes were Jeanette Johnson and Judy Bowlin.

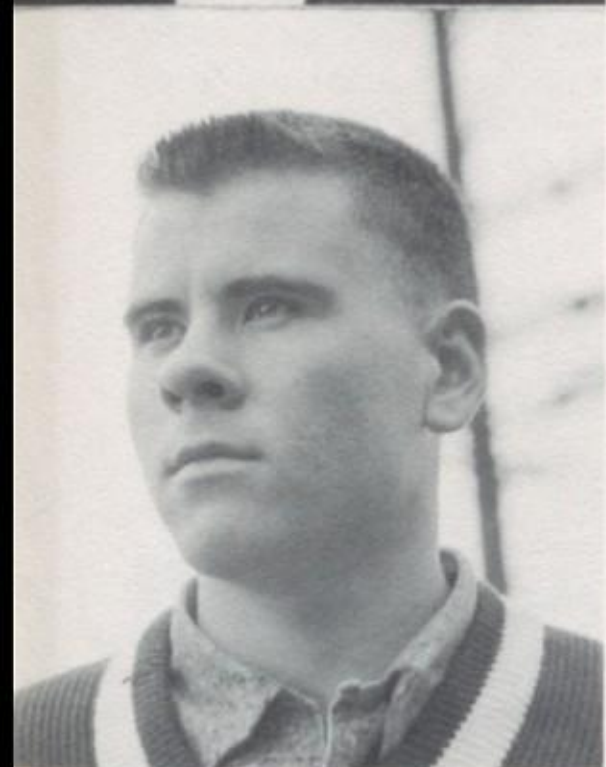

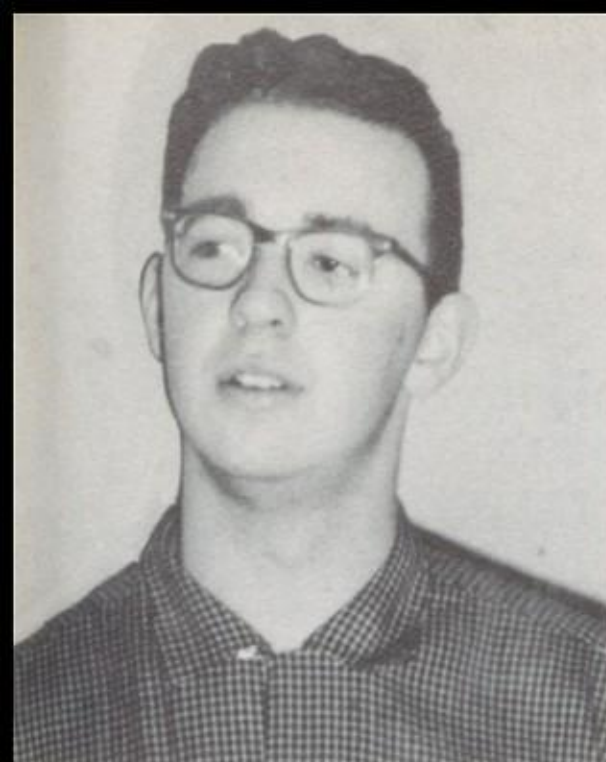

▼ Beth Harrell, Barbara Zartman, and Ilo Lewis, hard working Botany students, admire the blooming tulips sent from Holland by Miss Leeksa, last year's exchange teacher.

▼ Proud artists, Les Brown and Jo Ann Anderle, discuss the mural they painted in the lunch-room.

Three students attaining the heights of fame this year were: Lewis Macfarlane, cited for discovering a new comet by use of his self-built telescope; Richard Redman, famed for being chosen as a member of the Golden Jubilee National High School Orchestra; and Ragnar Ulland, honored by being chosen for the 1956 Olympic Ski Jumping Team.

Dear Mrs. Smith,

I have really enjoyed
being in your Language Arts
class this last semester even
if I haven't showed it.

I wish I could
have you again in my
senior year but since
I'm taking Business
English I guess it
won't work out.

Good luck during
your next semester
A.A. class. We must
get pretty thing at
times. I'll pray
for all of you.
Tommy

Dear Mrs. Smith

It has really
been wonderful
being in your class.

I have not only learned about
L.A. but also that school can be
a joy with a teacher who really likes
teaching. Thanks again for every-
thing you have done for me.

Karen Hummer

Acknowledgments

The "Strenuous Life" staff of 1956 wishes to express its gratitude to the following citizens of Seattle for the help and co-operation that they have given us this year:

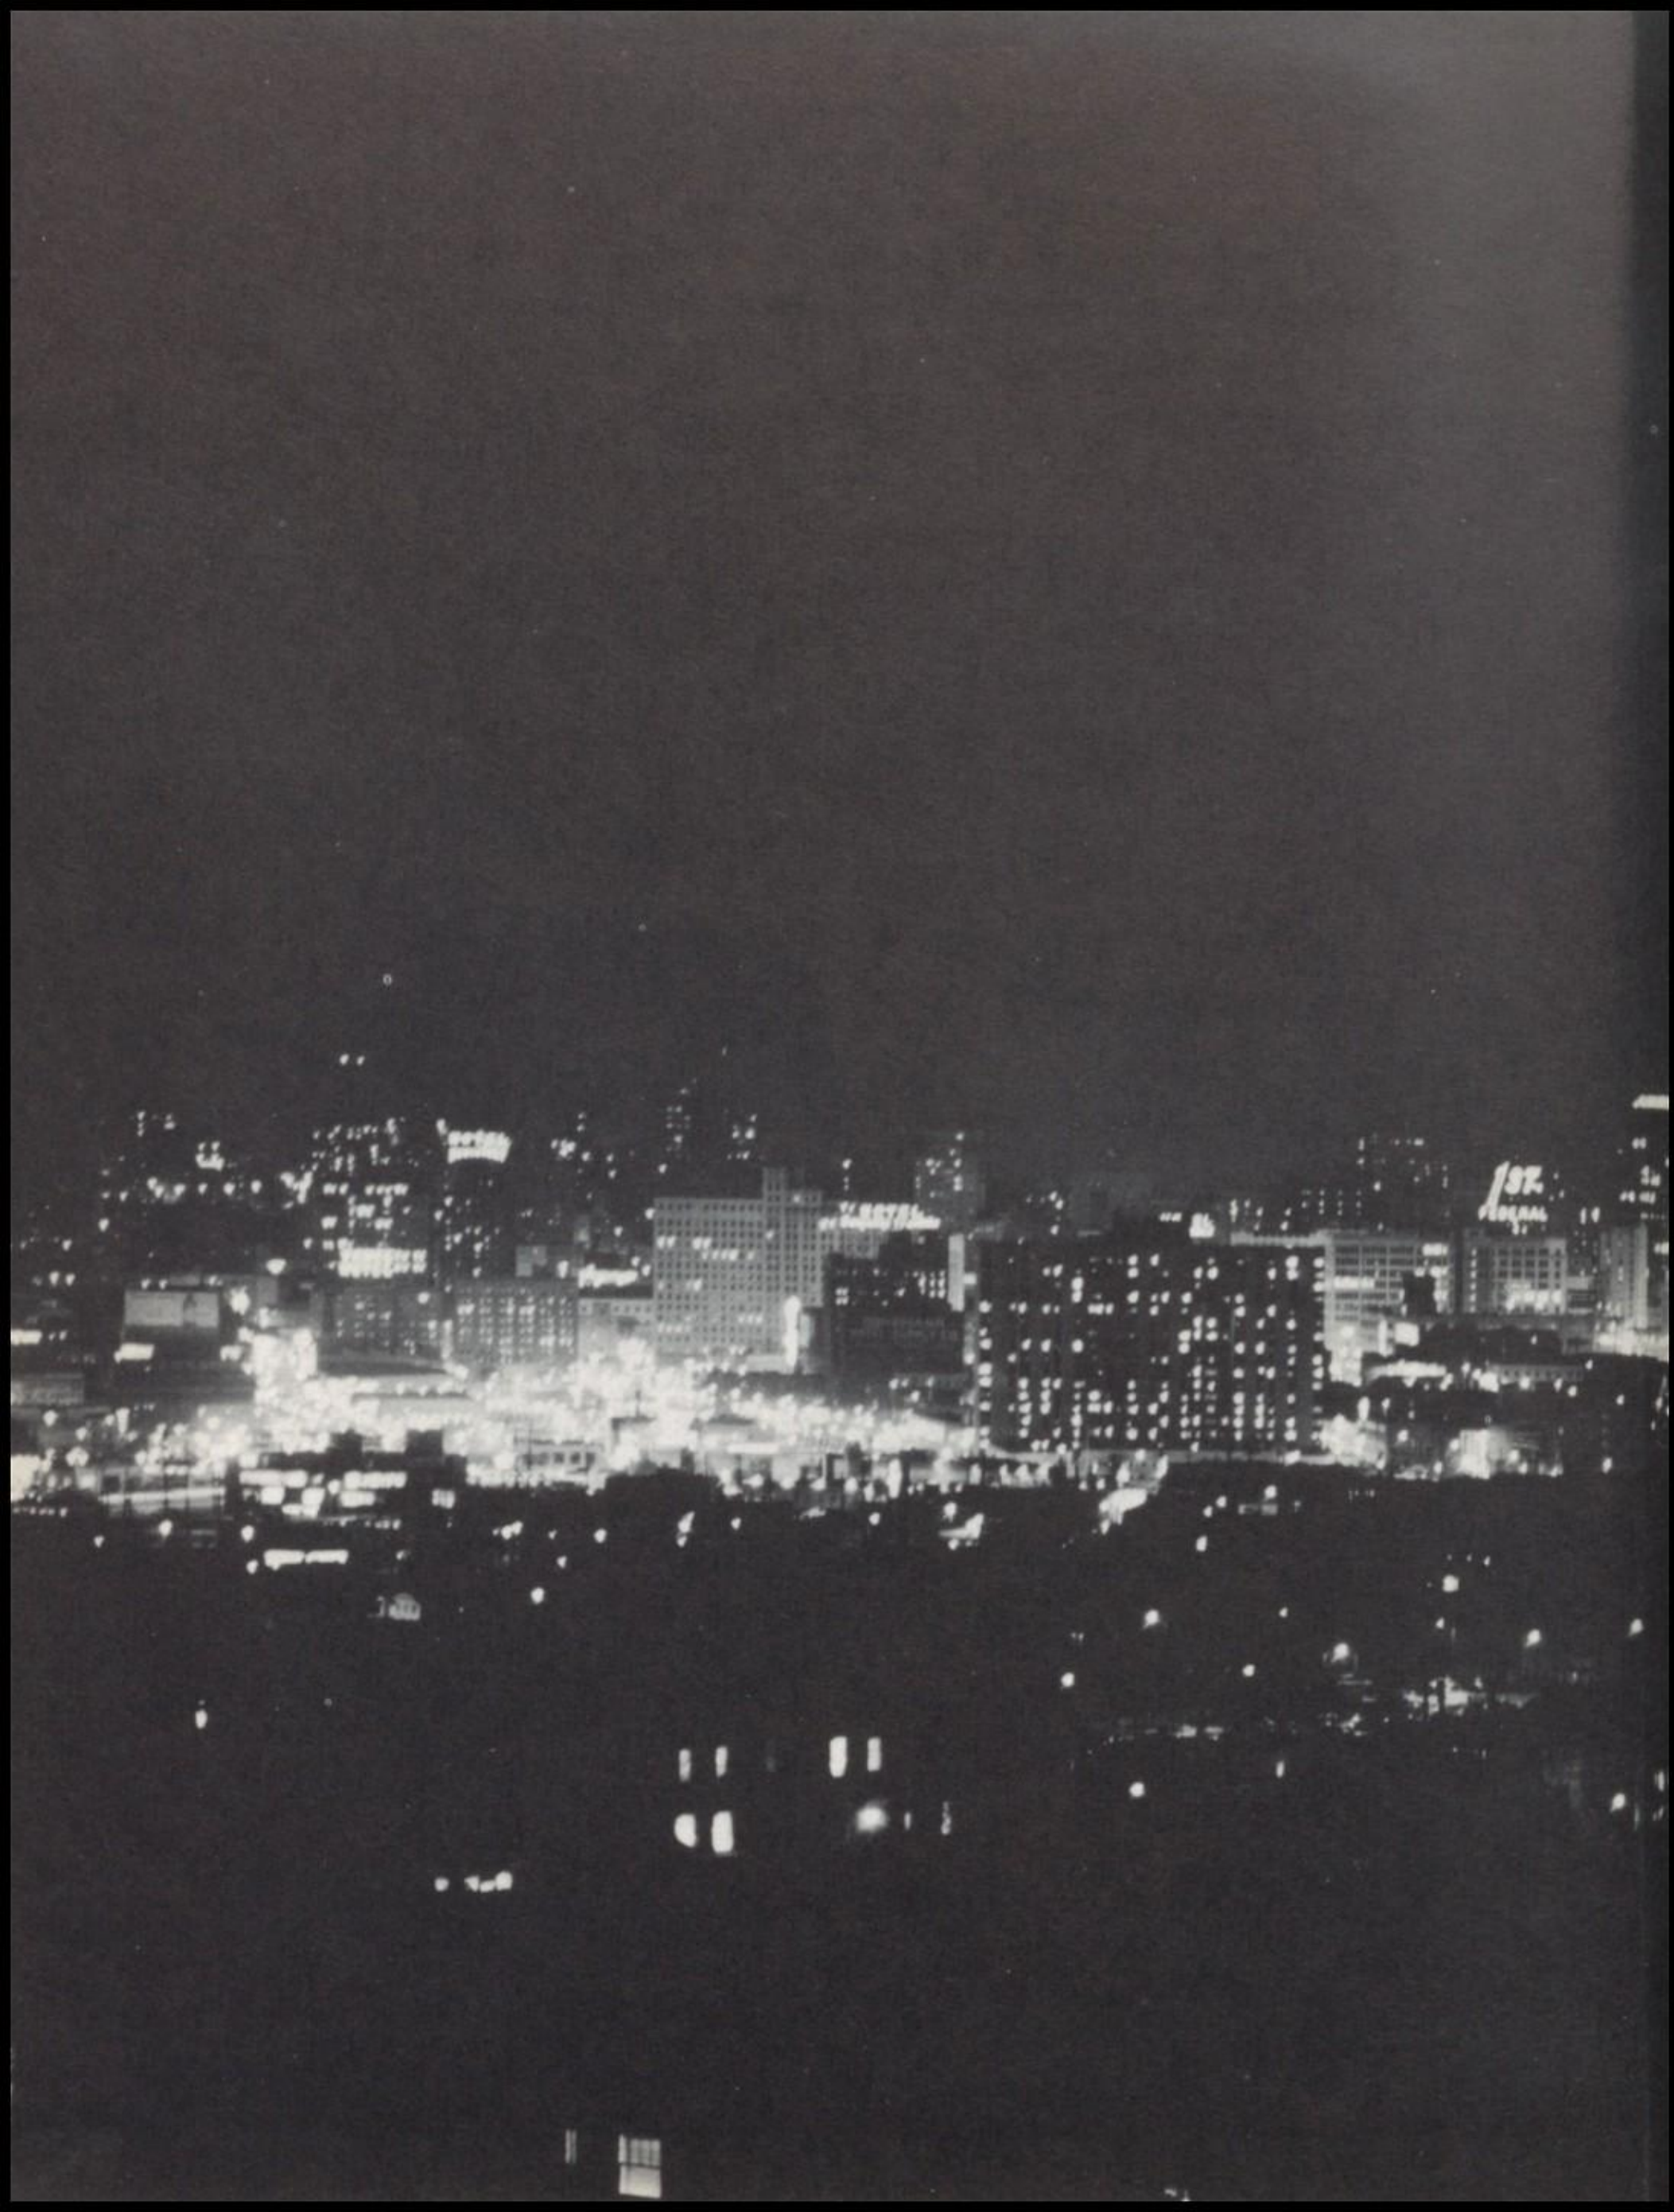

Rowland Johnson of Rowland Studios;
Cameron Cooper and the Camera Club;
Earl Lightner of Lowman and Hanford;
Arlene Hedeon and Margaret Dainard;
Charles J. Bush, Jr., of Bekins Moving and Storage Co.

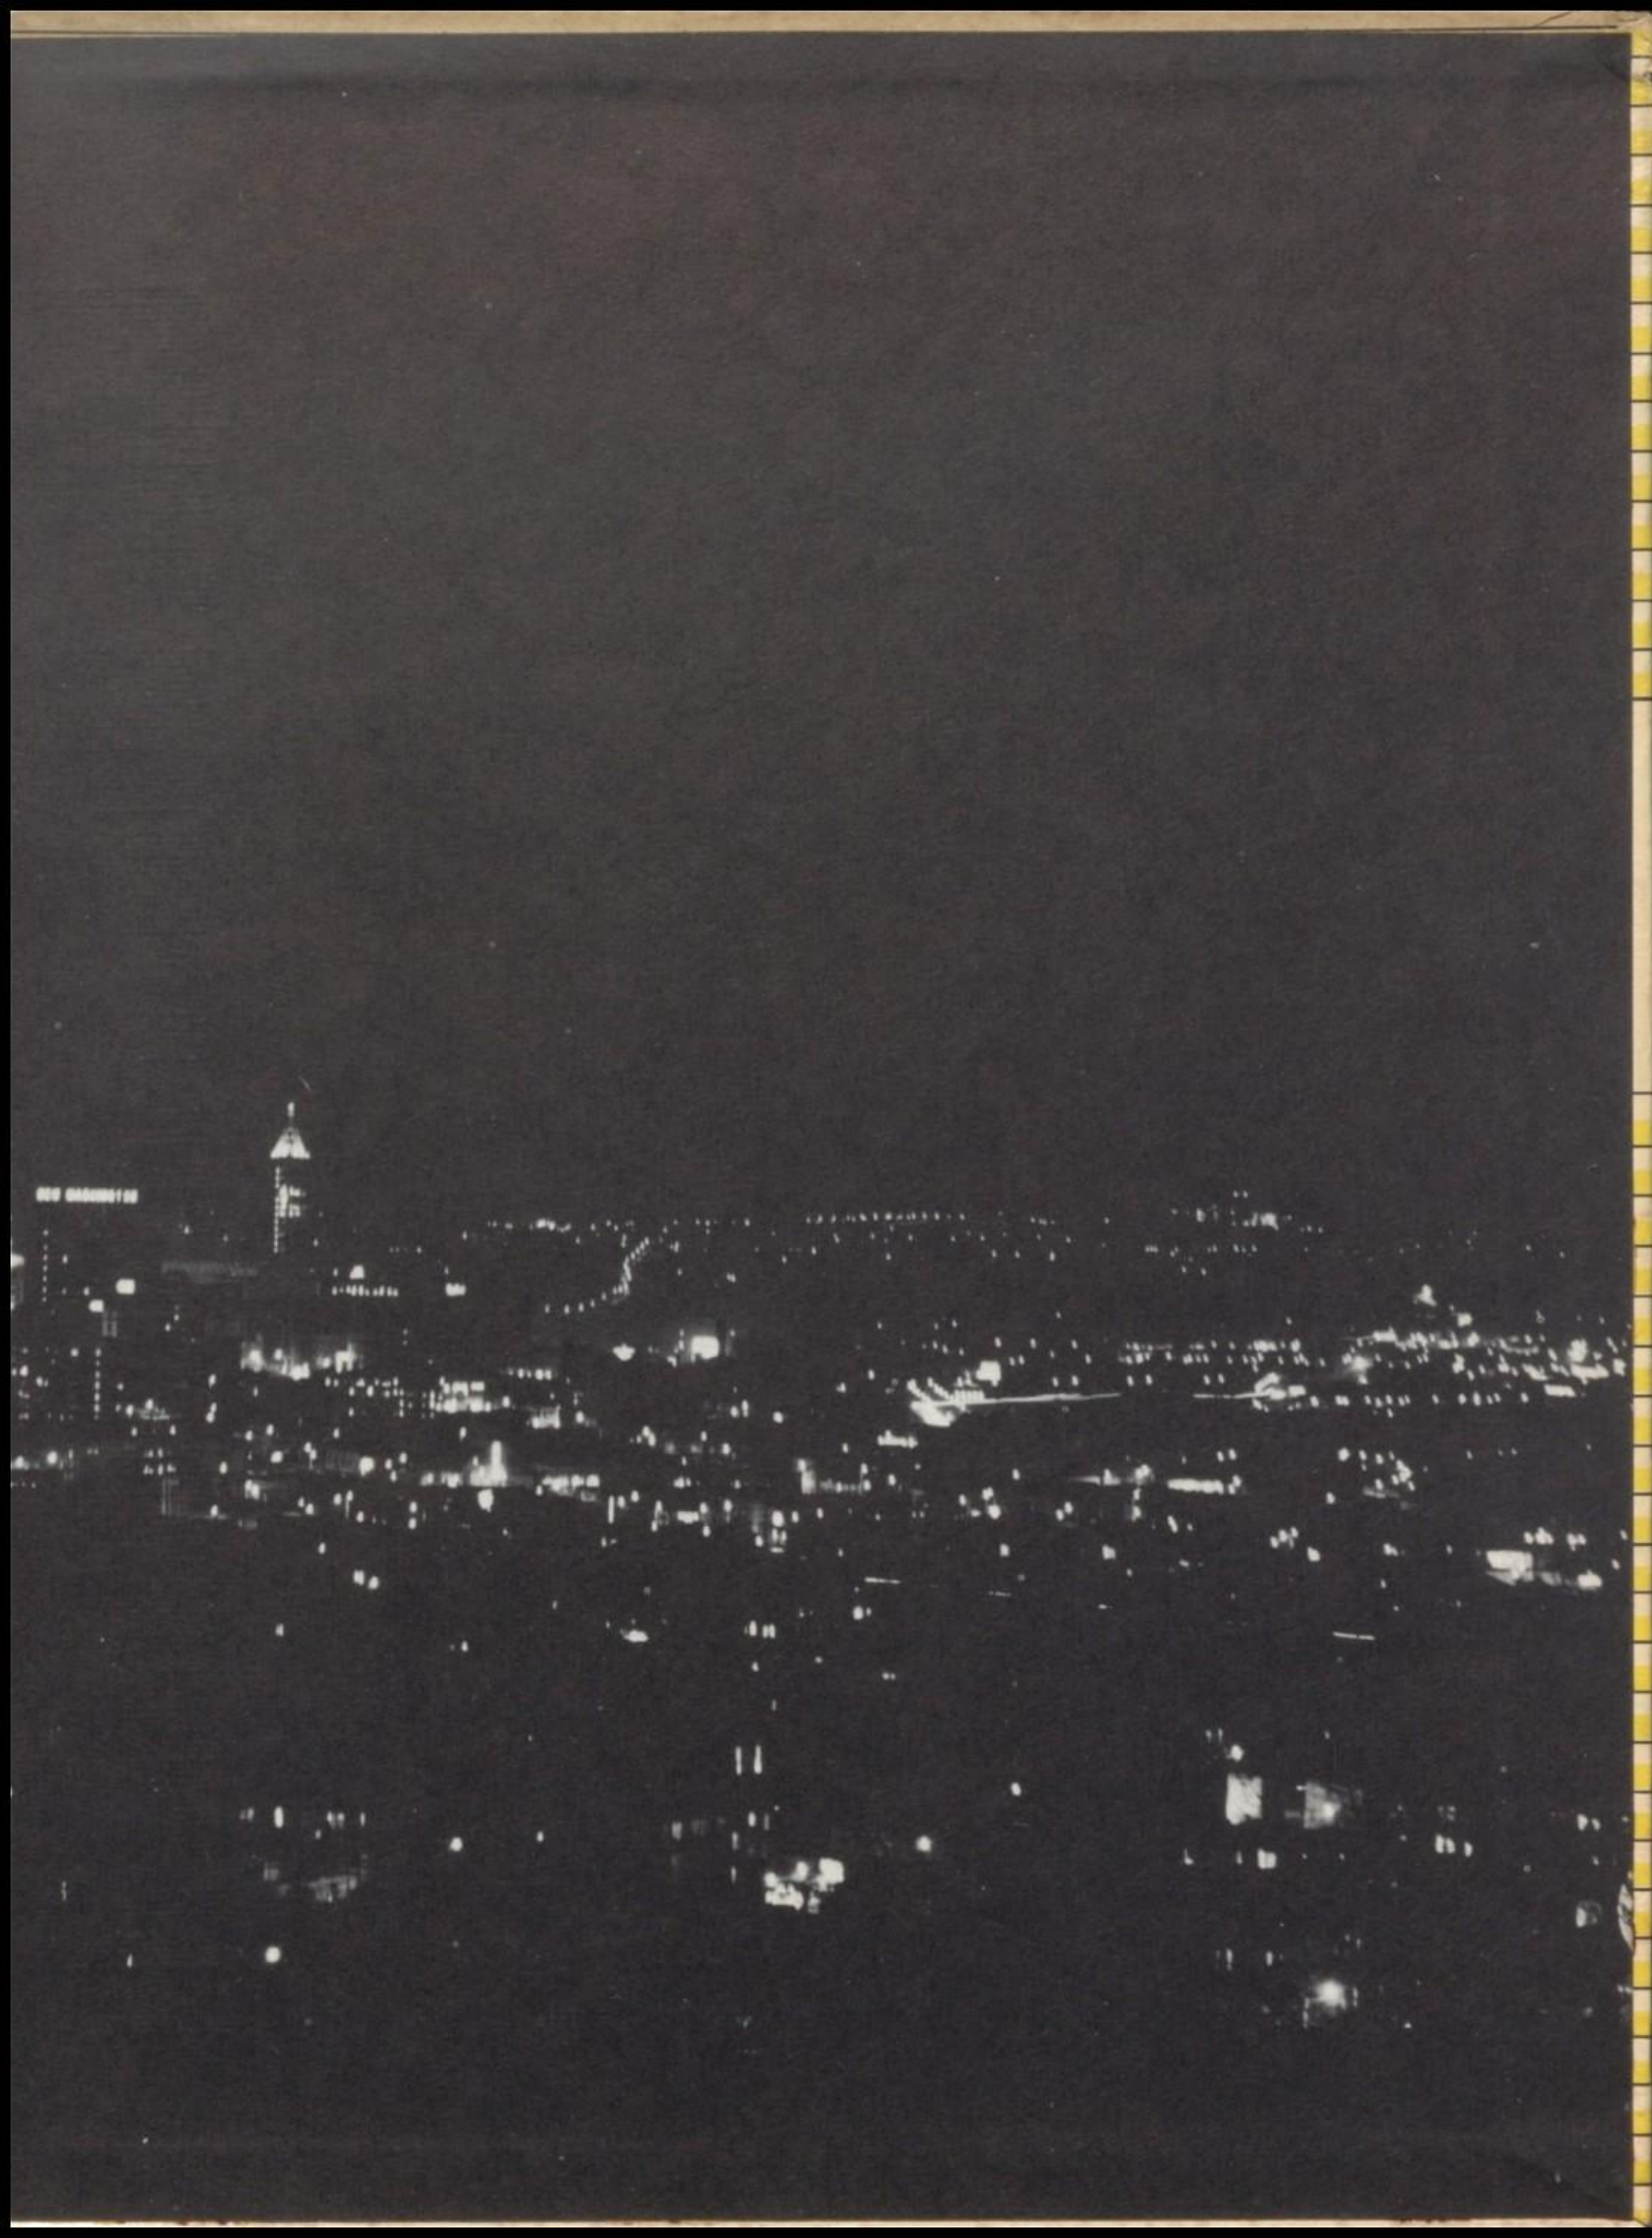

The staff also would like to thank the following Seattle newspapers for the use of their pictures: "The Times" and "The Post-Intelligencer."

The unusual art work, which appears throughout this year's book, was done by the following staff members: Senior Artist, Marie Field; assistants, Bill Adams and Don Pittenger.

After serving as Roosevelt vice-principal for the past six years, Mr. Ed Hasselblad leaves in July to assume the duties of his new job as principal of Shoreline High School. Mr. Hasselblad's friendly smile and likeable personality make him a favorite among both the faculty and students. The majority of students will remember "Ed" as a talented musician, a participant in the pep assemblies, and above all as a friend. Wishes for a happy future are extended to him from the faculty and student body of Roosevelt.
